About Us

AT COFFEEHOUSE.CO, WE BELIEVE COFFEE IS MORE THAN JUST A DRINK—IT'S A DAILY RITUAL, A CREATIVE CRAFT, AND A WAY TO CONNECT. BORN OUT OF A DEEP PASSION FOR THE CAFÉ CULTURE, WE SET OUT TO CREATE A SPACE WHERE COFFEE LOVERS, BARISTAS, AND DREAMERS CAN COME TOGETHER TO CELEBRATE EVERYTHING COFFEE STANDS FOR: WARMTH, COMMUNITY, AND CRAFTSMANSHIP.

Our Story

2019

It all began in 2019, with a simple dream: to create a cozy space where people could pause, connect, and enjoy a truly great cup of coffee. With just a handful of beans and a heart full of passion, we opened the doors to our very first coffee shop. From day one, our focus was clear — craft every cup with care, and serve every guest with warmth.

2020

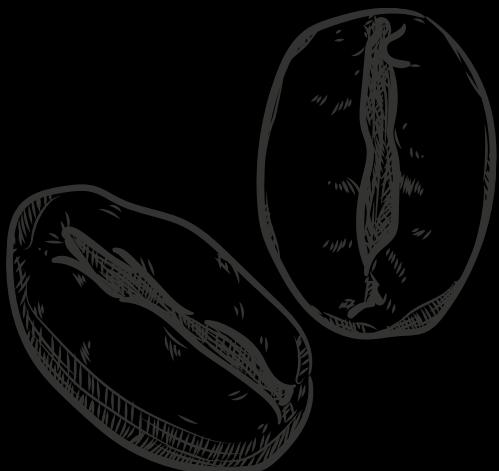

In 2020, the world changed — and so did we. Amid the uncertainty, our little café became a safe haven. We adapted, introduced takeaway options, and built stronger bonds with our community. Coffee became more than a beverage; it became comfort, resilience, and routine.

2022

By 2021, we started experimenting — from house-made syrups to seasonal drinks. Our baristas became artists, and our regulars became family. Word spread, and we welcomed more curious coffee lovers into our space.

2024

In 2024, we reflect on how far we've come. From a single espresso shot to a full-bodied journey, our story is brewed with love, community, and endless curiosity. And as we look to the future, we're excited to continue growing — one cup, one connection, one story at a time.

Why Our Coffee?

Quality Beans

Our coffee beans are at the heart of everything we do. Carefully sourced from ethical farms around the world — from the highlands of Ethiopia to the mountains of Colombia — each bean tells a story of origin, care, and craftsmanship.

Delicious Milk

At Coffeehouse.co, we use only high-quality, fresh milk to complement our carefully crafted espresso. Whether it's steamed to a silky microfoam for your latte or poured cold into your iced drinks, our milk is chosen for its consistency, creaminess, and taste. We also believe in choice. That's why we offer a variety of dairy-free alternatives, including oat, almond, and soy milk — each selected to blend beautifully with our coffee without overpowering its natural flavors.

Perfect Coffee

WHETHER IT'S A BOLD ESPRESSO, A SMOOTH LATTE, OR A POUR-OVER WITH DELICATE FLORAL NOTES, OUR COFFEE IS MADE TO BE SAVORED — NOT RUSHED. WE BELIEVE GREAT COFFEE DOESN'T JUST WAKE YOU UP — IT WARM YOUR SPIRIT AND BRINGS PEOPLE TOGETHER.

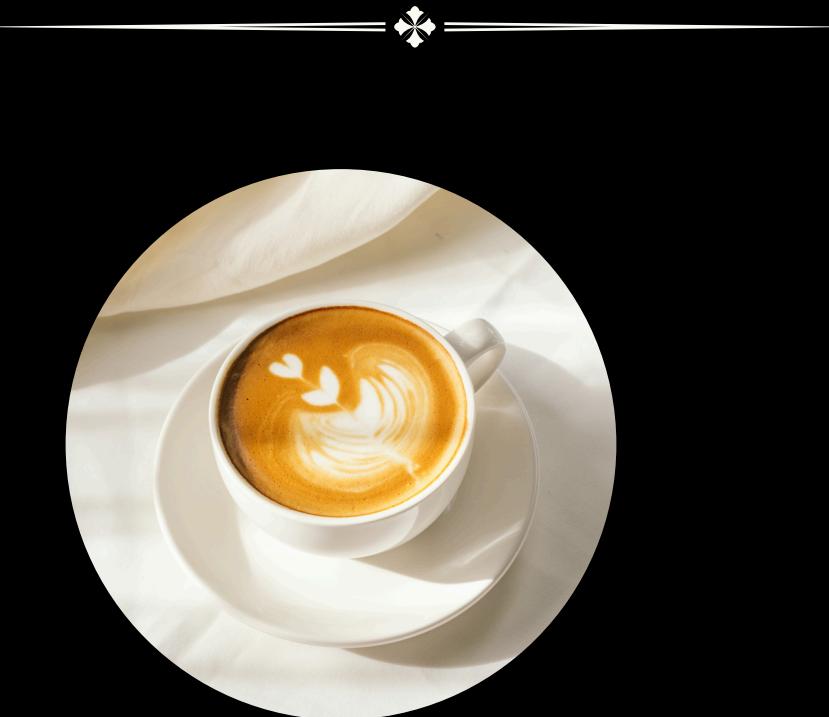

Our Best Seller

Latte

"A latte is comfort in a cup—where rich espresso meets the soft embrace of steamed milk. It's the gentle warmth of morning routines, the quiet pause in a busy day, and a reminder that even strength can be smooth and soothing."

matcha latte

"A matcha latte is serenity in a cup—earthy, vibrant, and grounding. With every sip, it's a gentle whisper of nature, blending calm focus with creamy comfort, inviting you to slow down and savor the moment."
